Historical Notes & Quotes: (Thanks Dee)

Kersey Lake

John Pugh was a fur trapper & used the old Kersey Lake cabin for overnights to check his trap lines. He provided three small wooden boats for rent to various fishermen. Mr.Pugh passed away in 1937. Gene Vincelette asked Millie Pugh if she would sell him one wooden boat. Millie said no, but she would sell the lease, boats & cabin for \$20.00. Between his father Azarias & his brother Doug they came up with the cash & made the on- the- spot deal. Courtesy of the Vincelette Family

JUST FOR FUN (THANKS DEAN)

A blonde police woman pulls over another woman for speeding and asks to see her drivers license. “what is that asked the driver?” Well it should be in a folder in your purse. So the blonde driver hands her a make-up compact and the police officer says “oh you are an officer also;don’t worry about the ticket and have a nice day”

Two blondes were headed to Disneyland....

They were driving on the Interstate when they saw the sign that said Disneyland LEFT. They started crying, turned around and went home

A blonde pushes her BMW into the gas station and finds a mechanic and tells him the car just died. After he worked on it for a few minutes it was idling smoothly.

She says. “what is the story?”

He replies “just crap in the carburetor”

She says, “oh okay, how often do I have to do that?”
