Cooke City Community Newsletter Update: *The Cooke City Newsletter has been written, printed and distributed by the Chamber office. We proudly took over this community newsletter from Steve Liebl. We are now though coming to another time and change. We at the chamber are now passing the Community Newsletter to the Colter Pass, Cooke City, Silver Gate Community Council. The Council will serve you in just the same way keeping you up to date with local news, running ads and of course the Just For Fun's!*

The ads will run at the same price and lost, found and community news will remain free. At some time in the future you may see changes in the newsletter but all will remain the same giving you what you need to know about your community, events, and local business ads.

Please send all newsletter articles, jokes, updates, etc to cokecityareacouncil@gmail.com or mail to CCCC, P.O. Box 1134, Cooke City, MT 59020. If you happen to send information to the chamber, no worries, the chamber will forward your information on to the council. You may still stop by the Visitor's Center and drop off your information in the newsletter box. If you have any questions, please call 406-838-2495.

It's been a pleasure producing the newsletter and we

are proudly passing on the torch!

Don't Make a Fuss About Valentine's Day

My dearest wife is always going on and on and ON about NOT making a fuss over her on Valentine's Day. She repeats that it's the thought that counts. Well, I put a lot of thought into the gifts from previous February 14ths but she didn't quite take to any of them like I assumed she would. Here's my list - see what you think:

- Brand new mop and bucket.
I was thinking it would be fun to see what color the floor was because I couldn't remember.
- Romantic dinner at fast food restaurant.
I was thinking that she might like to go inside for a change instead of fetching dinner at the drive through.
- Chocolates left-over from last year's candy box.
I was thinking of how proud she'd be of me for not wasting food. She's been nagging me for years to recycle.
- Midnight moped ride through the park.
I was thinking that I'm getting too old to be peddling on the bike.
- Dozen roses printed on high quality photo paper. One of my favorites this -
I was thinking these would last a lifetime instead of just a week.
