CCCC News: We would like to announce & congratulate Suzy Hahn for her acceptance & hiring of the CCCC Clerk. As you know from our monthly commissioner/resort tax meetings this fall, this suggested position was presented as part of the operations & maintenance budget for the Community Building. We had hoped this part time Clerk position would be appealing to individuals with the right qualifications, time availability & experience. We were fortunate enough to obtain such a qualified applicant, not only is her education valuable with computer technology, bookkeeping, newsletter writing, business management, relationships & history of the area, but also her community involvement for several years as a volunteer. This position was established with part of operations & maintenance of the Community Building and is a trial position to assist with duties that have been provided by the Volunteer Board, mostly Donna as the Treasurer and some of the duties were handled as the Executive Director of the Chamber (such as the Community Newsletter). This 10 hour position, regulated by the CCCC Board is just an estimate of administrative, clerical time that a Clerk can provide to the Board & Community. Most of this clerical work will be accomplished from home, however you will see more of Suzy as she is now returning as a representative with the CCCC.

Congratulations Suzy! The CCCC Board; Bev Chatelain, Jason Flug, Dale Dempsey, Donna Rowland, Mary Dye, Betty Sommers, John & Carole Oldemeyer, Nellie Israel, Florence Zundel

Just For Fun

Farmer John lived on a quiet rural highway. But as time went by, the traffic slowly built up at an alarming rate. The traffic was so heavy and so fast that his chickens were being run over at a rate of three to six a day.

So one day Farmer John called the sheriff's office and said, "You've got to do something about all of these people driving so fast and killing all of my chickens." "What do you want me to do?" asked the sheriff. "I don't care, just do something about those crazy drivers!"

So the next day he had the county workers Go out and erected a sign that said: SLOW: SCHOOL CROSSING

Three days later Farmer John called the sheriff, And said, "You've got to do something about these drivers. The 'school crossing' sign seems to make them go even faster." So, again, the sheriff sends out the county workers and they put up a new sign: SLOW: CHILDREN AT PLAY

That really sped them up. So Farmer John called and called and called every day for three weeks. Finally, he asked the sheriff, "Your signs are doing no good. Can I put up my own sign?" The sheriff told him, "Sure thing, put up your own sign." He was going to let Farmer John do just about anything in order to get him to stop calling everyday to complain. The sheriff got no more calls from Farmer John.

Three weeks later, curiosity got the best of the Sheriff and he decided to give Farmer John a call. "How's the problem with those drivers. Did you put up your sign?" "Oh, I sure did. And not one chicken has been killed since then. I've got to go. I'm very busy." He hung up the phone.

The sheriff was really curious now and he thought to himself, "I'd better go out there and take a look at that sign... It might be something that WE could use to slow down drivers..." So the sheriff drove out to Farmer John's house, and his jaw dropped the moment he saw the sign.

It was spray painted on a sheet of wood.... NUDIST COLONY Go slow and watch out for chicks!
