The Historical Group would like to ask that anyone who has vintage items from circa 1870-1940 & would like to donate to the museum please contact Dee Smith. (email: cookecityareahistoryinfo@gmail.com) The Historical Accession Committee will be pleased to review the items for acceptance & will provide a list of requested items. The accession process will begin in June 2010. It is suggested that you may wish to gift funding for a specific area or vintage item within the museum space such as display cases, panels, photo framing, audio & video interpretation.

Old Cabins & New Cooks: If you have not yet turned in a recipe, there is still time to contribute your favorite family recipe for the "OLD CABINS & NEW COOKS" book. It is not required to have "historical" family connections to submit a favorite recipe so this presents a great opportunity to have your family included in this record of Silver Gate, Cooke City & Colter Pass. The total proceeds from this project will go to the "historical area" of the New Community Building. Please join the fun and be a part of this great effort. If you have any questions or want to submit a recipe, please email jwkoahl@yahoo.com. On the subject line, be sure to label your email with Old Cabins & New Cooks

JUST FOR FUN: (THANKS DEAN & FAT MAN)

Will Rogers was quite the cowboy, with all the wisdom of simple, honesty. Will Rogers, who died in a 1935 plane crash with his best friend, Wylie Post, was probably the greatest political sage this country ever has known.

1. Never slap a man who's chewing tobacco.
2. Never kick a cow chip on a hot day.
3. There are two theories to arguing with a woman . . . Neither works.
4. Never miss a good chance to shut up.
5. Always drink upstream from the herd.
6. If you find yourself in a hole, stop digging.
7. The quickest way to double your money is to fold it and put it back into your pocket.
8. There are three kinds of men: The ones that learn by reading. The few who learn by observation. The rest of them have to pee on the electric fence and find out for themselves.
9. Good judgment comes from experience, and a lot of that comes from bad judgment.
10. If you're riding' ahead of the herd, take a look back every now and then to make sure it's still there.
11. Lettin' the cat outta the bag is a whole lot easier'n puttin' it back.
12. After eating an entire bull, a mountain lion felt so good he started roaring. He kept it up until a hunter came along and shot him. The moral: When you're full of bull, keep your mouth shut. His words still ring with common sense today...
